INTRO

VERSE 1

We were foolish
Disobedient, led astray
Slaves to our own ways
Passing all our days
In malice and envy
With hearts full of hate

PRECHORUS 1

We needed a rescue
We needed a Saviour

CHORUS 1

But the grace of God appeared
And Salvation is now here
We're made alive in Jesus Christ
The grace of God appeared

INTERLUDE

VERSE 2

He was blameless
Submitting to the Father's will
To Calvary's hill
He gave His life
Jesus died to purify
A people for His own

He is the rescue
He is the Saviour

CHORUS 2

For the grace of God appeared
And Salvation is now here
We're made alive in Jesus Christ
The grace of God appeared

You give us hope You give us life
It's by Your grace That we've been justified
You pour out Your mercy
You pour out Your Spirit
For Your glory and our good

It's for Your glory and our good
It's for Your glory It's for Your glory
It's for Your glory and our good
